Note:All materials, including resin, pigments and additives used to make the plastic components as well as the plumbing components that come in contact with the fresh water supply are U.S. Government Food & Drug Administration (FDA) food grade compliant materials

All dimensions are subject to change due to environmental factors.

Warranty: 3 year on all roto molded parts only from the date of purchase to the original purchaser.

Any part which proves defective as determined by Quadel inc. personnel within the warranty period of 3 years from the date of purchase will be repaired with a new or rebuilt part. In the event the product proves to be so defective that it precludes reasonable remedy the purchaser's sole remedy will be a refund of the purchase price. No responsibility shall be assumed by Quadel inc. for removal, re installation, freight, labor or damages whether they be direct, indirect or incidental. Liability shall not apply to damage resulting from accident, tampering, alteration, design, inability to use, misuse, or abuse. If the product is altered in any way from its original specifications the warranty is void.
